

# Protect Medicare

## Positive messaging for elected leaders who are doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY], [STATE]**.

I'm reaching out, along with a group of concerned voters called *See You Next Tuesday*, to thank **[TITLE] [LAST NAME]** for standing up to protect Medicare and the millions of Americans who rely on it. Your leadership is critical to ensuring that seniors and people with disabilities can access the care they need without going broke.

Medicare is one of the most effective and efficient healthcare programs we have. Gutting it doesn't save money—it shifts costs onto those who can least afford it. Thank you for defending a system that works and fighting to keep it strong for future generations.

## Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY], [STATE]**.

I'm reaching out, along with a group of concerned voters called *See You Next Tuesday*, because I'm alarmed by **[TITLE] [LAST NAME]**'s support—or silence—regarding proposals that would slash Medicare. Cutting this essential program doesn't reduce waste. It punishes seniors, people with disabilities, and those who've paid in for a lifetime just to afford basic care.

Gutting Medicare isn't fiscal responsibility—it's a betrayal of the people you were elected to serve. We're calling on you to stop siding with corporate interests and billionaires and start fighting for the Americans who rely on this program to survive.

History will remember who defended healthcare—and who sold it out.
