

Defend Our National Parks

Positive messaging for elected leaders who are doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to thank **[TITLE] [LAST NAME]** for standing up against the Trump administration's reckless cuts to the National Park Service and U.S. Forest Service. Your leadership is vital to keeping our parks, forests, and public lands protected, accessible, and properly staffed.

Firing thousands of rangers and public land workers puts both public safety and environmental protections at risk. We're grateful you're using your platform to defend these essential public spaces and the people who care for them.

History will remember those who protected our public lands for future generations. Thank you for being one of them.

Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to urge **[TITLE] [LAST NAME]** to take a stand against the Trump administration's reckless cuts to the National Park Service and U.S. Forest Service. These cuts have already led to the firing of thousands of park rangers and public land workers—putting visitor safety at risk and threatening the future of our public lands.

Leadership means protecting America's public lands—not allowing them to be sacrificed for political gain. These firings are not about fiscal responsibility—they're about prioritizing political agendas over public good. A majority of Americans support strong protections for our parks and forests, yet this administration continues to defy public will and bypass oversight.

We urge you to reject these attacks, speak out against these dangerous cuts, and pressure your colleagues to reverse course.

History will not look kindly on those who remained silent. Now is the time to lead.

Thank you for your time.
