

# Deny Assistance for Mass Deportations

---

Positive messaging for elected leaders who are doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to thank **[TITLE] [LAST NAME]** for taking a stand against the Trump administration's inhumane mass deportation efforts. Your leadership is essential to protecting families, defending basic human rights, and keeping our communities safe.

Mass deportations do not improve public safety. They tear families apart, create fear, and waste taxpayer dollars that should be focused on real threats like violent crime and trafficking. We're grateful for your efforts to push back and advocate for policies rooted in dignity and fairness.

We urge you to continue standing strong, using your platform to oppose these harmful efforts and to promote policies that protect immigrant families and uphold real public safety.

History will remember those who stood on the right side of justice—and we thank you for being one of them.

Thank you for your courage and commitment to doing what's right.

Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to urge **[TITLE] [LAST NAME]** to take a clear stand against the Trump administration's inhumane mass deportation agenda. Failing to speak out isn't leadership—it's complicity.

Mass deportations don't make us safer. They tear families apart, spread fear, and waste taxpayer dollars that should be used to combat real threats like violent crime and trafficking.

Undocumented immigrants are vital members of our communities and are statistically far less likely to commit crimes than U.S.-born citizens. This manufactured crisis serves political optics—not public safety.

History will not be kind to those who chose silence over justice. This moment demands moral courage. Use your platform to reject these policies, oppose any legislation that enables them, and advocate for humane solutions.

Now is the time to lead.

Thank you for your time.
