

Do Not Defund Planned Parenthood.

Positive messaging for elected leaders who are doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called *See You Next Tuesday*, to thank **[TITLE] [LAST NAME]** for standing strong against the attacks on Planned Parenthood and for defending access to essential reproductive healthcare.

Your leadership helps ensure that millions of Americans—especially low-income communities, young people, and those in rural areas—can continue to access cancer screenings, birth control, STI testing, and other vital health services.

We're grateful for your commitment to the health and rights of all people.

History will remember those who defended healthcare access when it mattered most. Thank you for being one of them.

Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called *See You Next Tuesday*, because I'm outraged by **[TITLE] [LAST NAME]**'s support for defunding Planned Parenthood—a direct attack on the health and rights of millions of Americans.

Defunding it doesn't "protect life"—it puts lives at risk and strips away access to basic healthcare, especially for low-income and marginalized communities.

History will not look kindly on those who played politics with people's lives. Now is the time to lead—or be remembered for failing to.

Thank you for your time.
