

Fair School Funding/Anti-Vouchers

Positive messaging for elected leaders who are doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to thank **[TITLE] [LAST NAME]** for supporting a fair school funding plan and standing against the expansion of school vouchers.

Your leadership is essential in making sure public schools receive the funding guaranteed by our state constitution. Diverting public dollars to private schools—many of which already serve students from wealthier families—undermines local districts, weakens accountability, and harms the students who rely on public education the most.

We're grateful you're standing strong for **[STATE]**'s children and working to ensure every student—no matter their ZIP code—has access to a fully funded, high-quality public school.

Thank you for your commitment to fairness and public education.

If leaving a voicemail: Please leave your full street address to ensure your call is tallied.

Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to urge **[TITLE] [LAST NAME]** to stop supporting policies that weaken public schools and expand Ohio's failing voucher system.

[STATE]'s Constitution guarantees funding for public education—not private schools. Yet under the voucher program, taxpayer dollars are being siphoned off to subsidize families already in private schools, while public school students are left with less. This isn't about opportunity—it's about dismantling public education.

Expanding vouchers harms local school districts, drains resources, and violates both the state constitution and the separation of church and state. **[STATE]**'s children deserve better.

We urge you to reject further voucher expansion and fully support the fair school funding. The record will show who stood up for **[STATE]**'s students—and who sold them short.

Thank you for your time.
