Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to urge **[TITLE] [LAST NAME]** to take a stand against the Trump administration's escalating defiance of the Constitution and abuse of power. Failing to speak out against these violations threatens the integrity of our democracy and the rights of the people you were elected to serve.

From defying federal court orders to handing government IT systems to Elon Musk and DOGE, this administration's actions are not just reckless—they are unlawful. These violations undermine our institutions, erode the rule of law, and endanger national security. Refusing to act is not neutrality—it's complicity.

We urge you to reject this unconstitutional overreach and use your platform to defend the rule of law. Upholding the Constitution must come before loyalty to any individual or party.

History will remember those who had the courage to stand up for democracy—and those who looked the other way. Now is the time to lead.

Thank you for your time.
