

Stop Purge of Federal Workforce

Positive messaging for elected leaders who are doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called *See You Next Tuesday*, to thank **[TITLE] [LAST NAME]** for standing up against the reckless and unconstitutional purge of the federal workforce.

Your leadership is essential to protecting the institutions that serve the public—not private interests. These mass firings are not about efficiency—they're about power and control.

Thank you for defending democracy, public service, and the rule of law. History will remember those who had the courage to stand up.

Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called *See You Next Tuesday*, to demand that **[TITLE] [LAST NAME]** stop enabling the Trump administration's reckless purge of the federal workforce.

This isn't about efficiency—it's about consolidating power. Thousands of public servants have been fired, and critical services are being dismantled. This is a direct assault on the Constitution and the institutions that protect the American people.

Your disregard for your oath to the Constitution makes you complicit.

Now is the time to lead.
