Forceful messaging for elected leaders who are not doing the right thing

Hi, my name is **[NAME]**, and I'm a constituent from **[CITY]**, **[STATE]**.

I'm reaching out, along with a group of concerned voters called See You Next Tuesday, to urge **[TITLE] [LAST NAME]** to take a stand against the unlawful dismantling of USAID. Firing staff, canceling contracts, and causing chaos is not just irresponsible—it's unconstitutional. These actions are endangering lives, violating the separation of powers, and undermining U.S. leadership on the global stage.

Leadership means protecting life-saving programs, not allowing them to be gutted by political overreach. USAID is a critical tool for stability, security, and human dignity. Letting it fall apart without a fight is a failure of duty.

This is a pivotal moment. The record will show who stood up for American values—and who stayed silent.

It's not too late to lead. We need your action now.

Thank you for your time.
